Re: **Notice of Violation**
Erie County
Harbourtown MHP
Ohio EPA Permit No. 2PS00001
NPDES Permit No. OH0035891

October 15, 2012

Mr. Sheldon Fromson, Owner
Harbourtown MHP
505 South Flager Road, Suite 401
West Palm Beach, Florida 33401

Dear Mr. Fromson:

A review of the self-monitoring reports that are submitted under the National Permit Discharge Elimination System (NPDES) permit for Harbourtown Mobile Home Park (MHP) shows that this facility is in significant non-compliance (SNC) for the following parameters at outfall number 001: Total Suspended Solids and CBOD5, loading. I am enclosing a list of violations for this facility for the period of January 1, 2012, through September 28, 2012.

A facility becomes SNC when it exceeds the effluent limit for four or more months in two consecutive quarters or exceeds the effluent limit significantly in any two months in two consecutive quarters.

Achieving compliance with Ohio's environmental laws is a primary focus of Ohio EPA in order to reduce risks to public health and welfare.

In lieu of enforcement action, we would like to work with you to achieve satisfactory progress to bring this facility back into compliance. Within 21 days of the date of this letter, please submit, in writing, the actions, along with a timetable, that you propose to undertake in order to return your facility into compliance with your NPDES permit. We previously recommended 25 service lines be replaced on an annual basis. These actions and timetable may also be submitted by email to me at rick.zuzik@epa.state.oh.us.

If you wish to meet with us to discuss this matter, please contact me at 419-373-3020 within 10 days of receiving this letter in order to set up a meeting.

Sincerely,

Richard A. Zuzik, MSE
Division of Surface Water
