**Re: Parkway Crossings Condominiums, Franklin County**

Dear Mr. Wright:

This letter is written regarding the storm water inspection I conducted on August 14, 2012, at the Parkway Crossings Condominiums, located along Buckeye Place. I understand this site is currently covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection, our discussions and the conditions set forth in the General Permit, the following items must be addressed:

**Sediment and Erosion Controls:**

- There was very little active construction at the site. A small area near the Buckeye Place entrance had excessive sand/sediment left on the concrete. Please remove excessive sand/sediment from the concrete entrance. Please see attached pictures.
- Most of the entire site was stabilized with only a few areas left for construction.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders  
Environmental Specialist  
Stormwater Section  
Division of Surface Water  
Central District Office
