**Re: AY Manufacturing, Ltd., Franklin County  
No-Exposure Exemption 4GRN00775\*DG**

Dear Mr. Collins:

This letter is written regarding a preliminary storm water investigation I conducted at your facility on August 13, 2012. The purpose of the inspection was to verify your No-Exposure Exemption (NOE) in accordance with Ohio EPA's Storm Water Program. Your facility is located at 5200 Crosswind Drive, Columbus, Ohio. This facility is required to seek storm water permit coverage, from Ohio EPA in accordance with 40 CFR 122.26, authorizing storm water discharges or obtain a NOE. It is my understanding; you have submitted and obtained a No-Exposure Exemption for this facility as you claim there are no activities or exposed materials, which pose a threat to storm water. This inspection was conducted to ensure your NOE is valid.

Based on my observations, I noted the following during my inspection:

- There were several covered trash containers at the site. All containers were covered.
- There was no equipment, drums or totes stored outside at your facility.
- There was minor staining near the loading dock. However, there were spill kits located nearby the loading dock.

Please send me an electronic e-mail to the following address stating the future contact for this No-exposure exemption, [greg.sanders@epa.state.oh.us](mailto:greg.sanders@epa.state.oh.us).

You are compliant with your No-exposure exemption. If you have any questions regarding this letter or my inspection, please do not hesitate to contact me at our Central District Office at 614-728-3851.

Sincerely,
