RE: BUTLER COUNTY, THE PINES MHP, NPDES PERMIT VIOLATIONS

Dear Ms. Gerbus:

We have reviewed your Discharge Monitoring Reports (DMRs) covering the months of June through September 2012 for the referenced facility. Our review indicates violations of the conditions of your National Pollutant Discharge Elimination System (NPDES) Permit (NPDES Permit # OH0127329; OEPA Permit # 1PV00107*CD). The specific instances of noncompliance were as follows:

Effluent Violations for June through September 2012

Reporting Period	Parameter	Limit Type	Units	Permit Limit	Reported Value
September 2012	E. coli	Monthly	#/100ml	126	2400
September 2012	E. coli	Weekly	#/100ml	284	2400

Please be advised that failure to comply with the effluent limitations of your NPDES Permit may be cause for enforcement action pursuant to the Ohio Revised Code Chapter 6111.

We have reviewed your reports addressing the reasons for the above violations and the actions being taken to prevent further occurrences. No additional information is requested at this time. Future violations must continue to be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification."
