**Re: Enchanted Acres South, Franklin County**

Dear Mr. Dunkle:

This letter is written regarding the storm water inspection that I conducted on October 23, 2012, at Enchanted Acres South located along Parsons Avenue, in the Village of Obetz, Ohio. There was no active construction at the site. I understand that these construction activities are covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection and the General Storm Water Permit, the following items must be addressed:

**Sediment and Erosion Controls:**

- There was no active construction at the site. There was a very small barren area surrounded by vegetation. No erosion was leaving the site.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,
