Re: Rolling Acres / Fairfield County

Dear Ms. Dobberstein:

This letter is written regarding the storm water inspection that I conducted on November 5, 2012, at Rolling Acres, located along Elder Road, in the Village of Lithopolis, Ohio. I understand that these construction activities are covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection and the General Storm Water Permit, the following items must be addressed:

Sediment and Erosion Controls:

There was no active construction at the site during the inspection. Most all sites were stabilized except for a part of lot #7. Please stabilize lot #7. All other barren areas were well stabilized. Please see attached picture.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders
