RE: Darke County, Versailles Wastewater Treat Plant, NPDES Permit Violation

Dear Mr. Voisard:

We have reviewed compliance with the conditions of your NPDES permit (NPDES Permit #OH0020656; Ohio EPA #1PB00033*JD). In Part II, Section C of this permit, a Compliance Schedule Milestone for Construction – Final Compliance with Effluent Limits was stipulated. At this time, Ohio EPA has failed to receive any notice with respect to this Schedule Milestone. This is a violation of the NPDES permit. Please submit written confirmation of this milestone date as soon as possible but not later than December 5, 2012.

Finally, please be advised that the failure to comply with the requirements of your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code Chapter 6111.

If you have any questions, please feel free to contact me at (937) 285.6033 or via email at glen.vonderembse@epa.ohio.gov.

Sincerely,

Glen Vonderembse
Environmental Engineer
Division of Surface Water
