Re: Village at Courtright Square / Franklin County

To Whom it May Concern:

This letter is written in follow-up to a construction storm water inspection I conducted on December 5, 2012, at the Village at Courtright Square located near the intersection of Refugee Road and Courtright Road. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following:

Sediment Controls and Maintenance:

- There was no active construction at the site.
- All barren areas at the site were stabilized.
- The weekly inspection log was up-to-date.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,
