**Re: East Landings Section 1, Parts 1 & 2 / Franklin County**

Dear Mr. Conie:

This letter is written in follow-up to a construction storm water inspection that I conducted on December 5, 2012, at the East Landings, Sec. 1, Parts 1 & 2, located in the northwest corner of the intersection of Refugee Road and Hamilton Road. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, I noted the following:

**Sediment Controls and Maintenance:**

- There was no active construction at the site.
- All barren areas at the site were stabilized.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Sanders".
