**RE: Construction Site Inspection, NPDES Permit 1GC04332\*AG**

Dear Ms. Spires:

On Tuesday, November 27, 2012, I inspected the above-named project site in Trotwood, Ohio, to determine compliance with its construction site storm water discharge permit. Dan Mertens from Keller represented the site during this inspection.

Based on my observations, the project appeared to be in substantial compliance with the terms of its permit.

If you have questions about this inspection, I can be contacted at (937) 285-6442, or via email at [chris.cotton@epa.ohio.gov](mailto:chris.cotton@epa.ohio.gov).

Sincerely,

A handwritten signature in black ink that reads "Chris Cotton".
