Re: **Notice of Violation**
Huron County
Woodlyn Acres MHP WWTP
Ohio EPA Permit No. 2PY00025
NPDES Permit No. OH0125491

January 8, 2013

Mr. Dennis Lugli, Owner
Woodlyn Acres MHP
304 County Road 16
New London, Ohio 44851

Dear Mr. Lugli:

A review of the self-monitoring reports that are submitted under the National Permit Discharge Elimination System (NPDES) permit for the Woodlyn Acres Mobile Home Park (MHP) Wastewater Treatment Plant (WWTP) shows that this facility is in significant non-compliance (SNC) with the final effluent limits for the following parameters at Outfall Number 001: Fecal Coliform in June and July 2012. A list of the violations for this facility for the period of April 1, 2012, through December 1, 2012 is enclosed with this letter.

A facility becomes SNC when it exceeds the effluent limit for four or more months in two consecutive quarters or exceeds the effluent limit significantly in any two months in two consecutive quarters. Achieving compliance with Ohio's environmental laws is a primary focus of Ohio EPA in order to reduce risks to public health and welfare.

We realize that the facility complied with fecal coliform limits in August, September and October 2012 and that disinfection season is over. However, you will need to be to make sure that the disinfection system is in good operating order by May 1, 2013, when you will again be monitoring for fecal coliform. If NPDES permit violations continue, we will be forced to initiate enforcement action.

Before we initiate enforcement action, we would like to work with you to achieve satisfactory progress to bring this facility back into compliance. Within **21** days of the date of this letter, please submit, in writing, the actions that you propose to undertake so that your facility will be in compliance with the fecal coliform limits of your NPDES permit in May 2013. These actions and timetable may also be submitted by email to me at andrew.gall@epa.ohio.gov.

If you wish to meet with us to discuss this matter, please contact me at 419-373-3003 within 10 days of receiving this letter in order to set up a meeting.

Sincerely,

Andrew Y. Gall
