RE: Butler County, Weatherwax Golf Course, NPDES Permit Violations

Dear Ms. Lovely:

We have reviewed your Discharge Monitoring Reports (DMRs) covering the months of July through December 2012 for the referenced facility. Our review indicates violations of the conditions of your NPDES Permit (NPDES Permit # OH0132268; OEPA Permit # 1PZ00105*CD). The specific instances of noncompliance were as follows:

Effluent Limit Violations for July through December 2012					
Reporting Period	Parameter	Limit Type	Units	Limit	Reported Value
December 2012	TSS	Monthly	mg/l	12	15

Please be advised that failure to comply with the effluent limitations of your NPDES Permit may be cause for enforcement action pursuant to Ohio Revised Code Chapter 6111.

Please inform this office, in writing, by February 15, 2013, as to the reasons for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations. Your response should include the dates, either actual or proposed, for completion of the actions. Future violations must be reported as required by the NPDES Permit as detailed in Part III.12 titled "Noncompliance Notification."

If you have any questions regarding the above, please contact me at (937) 285-6096.

Sincerely,

Ned Sarle
