Re: Lehman Estates / Franklin County

Dear Mr. Hill:

This letter is written regarding the storm water inspection that I conducted on February 13, 2013, at the Lehman Estates subdivision located south of Lehman Road and west of Bowen Road. There was no active construction during my inspection. There were no barren areas and the site was stabilized. You are compliant with your storm water permit.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Sanders", is written over a light blue horizontal line.
