Certification of No Exposure 4GRN00460*DG**

Dear Ms. Birdwell:

This letter is written in follow up to a storm water inspection I conducted on February 20, 2013, at Gilpin Inc., located at 310 Baltimore-Somerset Road, in Baltimore, Ohio. It is my understanding that you have submitted and obtained a No-Exposure Exemption for this facility as you claim there are no activities or exposed materials, which pose a threat to storm water. This inspection was conducted to ensure your NOE is valid. During my inspection, I noted that there were two dumpsters at your facility and both dumpsters had lids and the lids were closed. The scrap metal dumpster is now stored inside the building. You are compliant with your Certification of No Exposure.

If you have any questions regarding this letter or my inspection, please do not hesitate to contact me at our Central District Office at 614-728-3851 or email at: greg.sanders@epa.state.oh.us.

Sincerely,
