**Re: Post Construction Requirements at Great Lakes Regional Distribution Center
Delaware County, Permit #: 4GCO00069*AG**

Dear Mr. Selby:

A Notice of Termination for this site was received by the agency. The General Storm Water Permit requires specific post construction water quality treatment for all sites. Guidance regarding the post construction mandates can be found at: <http://www.epa.state.oh.us/dsw/storm/CGPPCOA.aspx>. Please submit to my attention (email preferred at harry.kallipolitis@epa.state.oh.us) which practice has been installed at this site to ensure compliance with the General Permit. Please include all design criteria with your submittal.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844.

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
Division of Surface Water
