Re: Wyandot County  
PSD Partners LLC  
NPDES Permit

May 8, 2013

Mr. Andrew Bishop  
VP Operation  
PSD Partners LLC  
7148 State Route 199  
Upper Sandusky, Ohio 43351

Dear Mr. Bishop:

This will acknowledge our April 29, 2013, compliance inspection at your Carey facility. This facility is located at 5968 State Route 199, Carey, Ohio. This inspection was conducted to evaluate compliance with your facility's National Pollutant Discharge Elimination System (NPDES) permit No. 2IN00223 (OH0138975).

At the time of the inspection, the pond was discharging and the effluent appeared slight cloudy. No oil sheen and scum were observed. When a discharge occurs from the pond, it must be sampled in accordance with this NPDES permit.

We are in the process of renewing your existing NPDES permit that expires on July 31, 2013. In the event that you do not receive your renewed NPDES permit by July 31, 2013, please continue to operate your facility per your expired permit.

Our review of your discharge monitoring reports (1/1/2012 to 4/1/2013) for this facility indicated some effluent violations. Please refer to the enclosed summary of the violations. If you have any questions or comments, please me at 419-373-3021.

Sincerely,

Jason Ko  
Division of Surface Water
