Dear Mr. Burton:

We have used our Surface Water Information Management System (SWIMS) to review your self-monitoring reports covering the months of September 2012 through March 2013 and found the November 2012 DMR was submitted after the deadline. The failure to submit monthly discharge monitoring reports (DMRs) according to the terms and conditions of your permit is a violation to your discharge permit.

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit will result in enforcement action pursuant to Ohio Revised Code Chapter 6111.

If there are any questions, please contact me at (740) 380-5268.

Sincerely,
