Mr. Mike Branson, President  
Lost Hollow Property Owners Assn.  
16700 Harble Griffith Road  
Logan, Ohio 43138

Dear Mr. Branson:

We have used our Surface Water Information Management System (SWIMS) to review your self-monitoring reports covering the months of September 2012 through March 2013 and found several of the reports were submitted after the deadline. The failure to submit monthly discharge monitoring reports (DMRs) according to the terms and conditions of your permit is a violation to your discharge permit.

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit will result in enforcement action pursuant to Ohio Revised Code Chapter 6111.

If there are any questions, please contact me at (740) 380-5268.

Sincerely,

Jack Knapp  
District Representative  
Division of Surface Water
