**Re: CJ Mahan Construction Company, Franklin County
No Exposure Exemption #4GRN00641*EG**

Dear Ms. Matheny:

This letter is written in regard to the storm water inspection that I conducted on May 8, 2013, at CJ Mahan Construction, located at 3400 Southwest Boulevard, in Grove City, Ohio. The inspection was conducted to follow-up to a previous inspection conducted in March of 2013. You were not fully compliant with your no exposure certification during that inspection. Based on my observations, I noted the following during my inspection:

The full and partially full drums were stored inside.

There were several waste containers at the site. The waste containers were covered.

You are compliant with your no exposure certification.

If you have any questions regarding this letter or my inspection, please do not hesitate to contact me at our Central District Office at 614-728-3851.

Sincerely,

Gregory L. Sanders
Environmental Specialist
Division of Surface Water
