**Re: Family Dollar – Hamilton Road / Franklin County**

Dear Mr. Copfer:

This letter is written in follow-up to a construction storm water inspection that I conducted on May 23, 2013, at the Family Dollar Store located at 3475 South Hamilton Road, in Columbus, Ohio. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, the following was noted:

**Sediment and Erosion Controls:**

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,

A handwritten signature in black ink, appearing to read "Gregory L. Sanders".
