Re: Speedway Store #100333 / Fayette County

To Whom it May Concern:

This letter is written in follow-up to a construction storm water inspection that I conducted on May 29, 2013, at the Speedway Store #100333 located at 11584 Allen Road, in Jeffersonville, Ohio. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities. During the inspection, the following was noted:

Sediment and Erosion Controls:

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.
