Re: **Notice of Violation**
Fulton County
Airport Industrial Park
NPDES Permit

June 7, 2013

Mr. Ziad Musallam, P.E., Director
Fulton County Public Utilities
9306 County Road, Suite A
Wauseon, Ohio 43567

Dear Mr. Musallam:

This letter is in regard to the Airport Industrial Park National Pollutant Discharge Elimination System (NPDES) permit compliance schedule Item B (i) that was due on June 1, 2013. Item B (i) states: "Complete an I/I study to determine if I/I is excessive and submit the study results to the Ohio EPA NWDO within 24 months of the effective date of this permit (Event Code 21599)". The I/I study has not been submitted. Failure to meet the compliance schedule dates places the facility in significant non-compliance (SNC).

Please inform this office within 10 days as to the reasons for these delays. Your response should include the actions being taken to return to compliance and a date for submittal of a complete I/I study.

If you have any questions or comments, please contact me at (419) 373 – 3053.

Sincerely,

Ryan Gierhart
Division of Surface Water
