Mr. Mark Bush
Port Clinton Dollar General
361 Summit Boulevard Suite 110

Dear Mr. Bush:

On May 14, 2013, I performed an inspection of the Port Clinton Dollar General project located on the east side of West Fremont Road just north of South Lime Stahl Road, Port Clinton, Ohio, Ottawa County. The purpose of this visit was to evaluate compliance of the site with the National Pollutant Discharge Elimination System (NPDES) permit for storm water discharges associated with construction activity (Construction General Permit or CGP). The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111.

At the time of the inspection, there was no active construction. When construction does begin, please be aware that all terms and conditions of the CGP will apply including maintaining sediment and erosion controls and conducting routine inspections.

If you have any questions, please contact me at (419) 373-3016 or by e-mail at patricia.tebbe@epa.ohio.gov.

Sincerely,

Patricia A. Tebbe, P.E.
