Re: Ottawa County
Jefferson Elementary School
Construction Storm Water
Permit No. 2GC03421AG

June 12, 2013

Mr. Patrick Adkins
Port Clinton City School District
811 South Jefferson Street
Port Clinton, Ohio 43452

Dear Mr. Adkins:

On May 14, 2013, I performed an inspection of the Jefferson Elementary and Port Clinton Middle School project located at 110 East Fourth Street in the City of Port Clinton, Ottawa County. The purpose of this visit was to evaluate compliance of the site with the National Pollutant Discharge Elimination System (NPDES) permit for storm water discharges associated with construction activity (Construction General Permit or CGP). The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111.

At the time of the inspection, there was no active construction. When construction does begin, please be aware that all terms and conditions of the CGP will apply including maintaining sediment and erosion controls and routine inspections.

If you have any questions, you may contact me at (419) 373-3016 or by e-mail at patricia.tebbe@epa.ohio.gov.

Sincerely,

Patricia A. Tebbe, P.E.
Division of Surface Water
