Dear Mr. Graham:

This letter is written regarding the storm water inspection I conducted on June 7, 2013, of the construction activities at Graham Electric, located at 3643 Banwick Road, in Columbus, Ohio. I understand this site is currently covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection and the conditions set forth in the General Permit, the following items must be addressed:

Sediment and Erosion Controls:

- There was no active construction at the site during the inspection. There was no erosion leaving the site and no barren areas. You are in compliance with your General Storm Water Permit.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders
