**RE: Center Road / Nelson Avenue Roadway Reconstruction Project
Construction Site Inspection; NPDES 1GC04020*AG**

Dear Mr. Fricke:

On Tuesday, June 11, 2013, I visited the Center Road / Nelson Avenue Roadway Reconstruction Project located near 1018 Center Road, Wilmington, Ohio. The intent of the inspection was to determine compliance with the site's NPDES construction permit.

At the time of this visit, it was determined that the project in question has been completed. Land disturbed by various construction activities appeared to have been adequately stabilized with landscaping or the planting of grass and/or other vegetation.

Since the project has been completed, a Notice of Termination (NOT) must be submitted to Ohio EPA. Find the form at http://www.epa.ohio.gov/Portals/35/permits/General_NOT.pdf. The completed form must be returned to the following address:

Ohio Environmental Protection Agency
General Permit Program
P. O. Box 1049
Columbus, Ohio 43216-1049

If you have any questions regarding this letter, you may contact me at (937) 285-6357 or via email at eric.damian@epa.ohio.gov.

Sincerely,
