Dear Mr. Sherman:

This letter is written regarding a storm water inspection that I conducted on June 11, 2013, at Fairfield County Utilities located at 6670 Lockville Road Northwest, in Carroll, Ohio. I understand that these construction activities are covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection and the General Storm Water Permit, the following items must be addressed:

It appears that construction is complete for this project and the barren areas have been stabilized. If you have not already done so, you may submit a notice of termination for this site.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,
