**Re: Eversole Business Park, Ph. 1 & Ph. 2 / Fairfield County**

Dear Mr. Eversole:

This letter is written in follow-up to a construction storm water inspection that I conducted on June 11, 2013, at the Eversole Business Park, Ph. 1 & Ph. 2 project that extends Victor Road from Kull Road to Election House Road. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit Associated with Construction Activities.

**Sediment and Erosion Controls:**

There was no active construction at the site during the inspection. Most all of the barren areas were stabilized or the land was put into farmland. No erosion was leaving the site.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3851.

Sincerely,

Gregory L. Sanders  
Environmental Specialist  
Division of Surface Water  
Central District Office
