**RE: Bob McEwen Water Treatment Plant Renovation & Expansion;
NPDES Permit # 1GC03775*AG**

Dear Mr. Rowland:

On Monday, June 17, 2013, I visited the Bob McEwen Water Treatment Plant Renovation & Expansion Project located at 3960 Greenbriar Road in Batavia, Ohio, with the intent of determining compliance with the site's NPDES construction permit.

At the time of this visit it was determined that the project in question has been completed. Land disturbed by various construction activities appeared to have been adequately stabilized with landscaping or the planting of grass and/or other vegetation.

Since the project has been completed, a Notice of Termination (NOT) must be submitted to Ohio EPA. This one page form is available at http://www.epa.ohio.gov/Portals/35/permits/General_NOT.pdf. It must be completed and sent to the following address:

Ohio Environmental Protection Agency
General Permit Program
P. O. Box 1049
Columbus, Ohio 43216-1049

If you have questions regarding this letter, you can contact me at (937) 204-1003 or via email at eric.damian@epa.ohio.gov.

Sincerely,

Eric Damian
