Baltic, Ohio 43804-0320

Dear Mayor and Council:

We have reviewed your discharge monitoring reports (DMRs) for the period of September 2012 through November 2012. Our review indicates violations of the conditions of your NPDES permit. The discharge monitoring report for October 2012 was submitted late. This is a violation of Part III, Item 4(C) of the permit which states that DMRs submitted using the e-DMR shall be submitted to Ohio EPA by the 20<sup>th</sup> day of the month following the month of interest. The DMR for the month of October was received by Ohio EPA on December 19, 2012.

Please submit within **10** days upon receipt of this letter as to the reasons for the above permit violations and actions being taken to prevent further occurrences. If a prior explanation of these violations has been sent no further action is required.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements specified in your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code, Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

If there are any questions, please contact me at (740) 380-5418.

Sincerely,
