Notice of Violation
OPH00015; OH0135186

Mr. Joe Detweiler
Buffalo Hills Campground
54780 State Route 566
Senecaville, Ohio 43780

Dear Mr. Detweiler:

We have reviewed your discharge monitoring reports (DMRs) for the period of September 2012 through March 2013. Our review indicates violations of the conditions of your NPDES permit. The discharge monitoring reports for November 2012, January 2013, and March 2013 were submitted late. This is a violation of Part III, Item 4(C) of the permit which states that DMRs submitted using the e-DMR shall be submitted to Ohio EPA by the 20th day of the month following the month of interest. The DMR for November 2012 was received by Ohio EPA on January 14, 2013, the January 2013 DMR was received on March 11, 2013 and the March 2013 DMR was received on June 6, 2013.

Please submit within **10** days upon receipt of this letter as to the reasons for the above permit violations and actions being taken to prevent further occurrences. If a prior explanation of these violations has been sent no further action is required.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements specified in your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code, Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

If you have any questions please feel free to contact me at (740) 380-5418 or email me at tim.fulks@epa.ohio.gov.
