**Re: Notice of Termination Inspection at North Elementary School/ Fairfield County. Permit #:  
4GC04017\*AG**

Dear Jerry Rainey,

This letter is written in follow-up to a construction storm water inspection by Jerome Hoke and Brittany Turner of the Ohio EPA, we conducted at North Elementary School located at 710 North Broad Street on June 13, 2013. The purpose of the inspection was to evaluate compliance with Ohio EPA's General Storm Water Permit Associated with Construction Activities. It appeared during the inspection that construction activity has been completed for this site. A Notice of Termination will be required provided the post construction requirements are met. Please address the following:

- The General Storm Water Permit requires specific post construction water quality treatment for all sites. Guidance regarding the post construction mandates can be found at: <http://www.epa.state.oh.us/dsw/storm/CGPPCQA.aspx>. Please submit to my attention (email preferred at [harry.kallipolitis@epa.state.oh.us](mailto:harry.kallipolitis@epa.state.oh.us)) which practice will be installed at this site to ensure compliance with the General Permit. Please include all design criteria with your submittal.
- A Notice of Termination (NOT) must be submitted once the post construction requirements are verified. The NOT form and filing instructions can be found at: <http://www.epa.state.oh.us/dsw/storm/stormform.aspx>.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844.

Sincerely,

Harry Kallipolitis  
Storm Water Coordinator  
Division of Surface Water
