**RE: Liberty Nursing Center; NPDES Permit # 1GC04044\*AG  
Construction Site Inspection**

Dear Ms. Black-Kurek:

On Friday, June 28, 2013, I visited the Liberty Nursing Center project located at 2582 Grange Hall Road in Beavercreek, Ohio, with the intent of determining compliance with the site's NPDES construction permit.

At the time of the visit, it was determined that the project in question has been completed. Land disturbed by various construction activities appeared to have been adequately stabilized with landscaping or the planting of grass and/or other vegetation.

Since the project has been completed, a Notice of Termination (NOT) must be submitted to Ohio EPA. This one page form is available at [http://www.epa.ohio.gov/Portals/35/permits/General\\_NOT.pdf](http://www.epa.ohio.gov/Portals/35/permits/General_NOT.pdf). It must be completed and sent to the following address:

Ohio Environmental Protection Agency  
General Permit Program  
PO Box 1049  
Columbus, OH 43216-1049

If you have questions regarding this letter, you may contact me at (937) 204-1003, or via email at [eric.damian@epa.ohio.gov](mailto:eric.damian@epa.ohio.gov).

Sincerely,
