Mr. Bob Corley  
Aaron Rents Inc.  
309 East Paces Ferry Road NE 8<sup>th</sup> floor  
Atlanta, Georgia 30305

Dear Mr. Corley:

On May 15, 2009, Aaron Rents Inc. received coverage under the Ohio EPA General Permit for Storm Water Associated with Construction Activity (CGP) for the construction of the Aaron Rents Store located at 465 West Airport Road, City of Wauseon, Fulton County. This CGP is still active and you are named as the contact for this site.

On June 12, 2013, I performed an inspection of this facility. The purpose of this visit was to evaluate compliance of the site with the CGP. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of this inspection, it appears that coverage for this site is eligible to be terminated.

Construction activities have been completed with final stabilization achieved on all portions of this site. The CGP requires that a Notice of Termination (NOT) be filed to relieve the applicant of the obligation to comply with the terms and conditions of this general permit including regular inspections of the site. I am enclosing an NOT form for the CGP that was issued and instructions to terminate this permit.

Please submit this form to: Ohio Environmental Protection Agency  
General Permit Program  
P.O. Box 1049  
Columbus, Ohio, 43616-1049
