**Re: Construction Storm Water Inspection at Utica Family Dollar Borrow Site
Licking County, Permit Number: 4GC04053*AG**

Dear Mr. Stewart:

This letter is written regarding a storm water inspection conducted by Elizabeth Pleta and Rachel Bellis of the Ohio EPA at Utica Family Dollar Borrow Site located at Blacksnake Road on June 13, 2013. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

Sediment and Erosion Control:

- The sediment and erosion controls at this site are currently functioning properly. Please continue excavation in such a manner where storm water is contained or direct runoff through an approved sediment control pond. Please continue to monitor and ensure compliance with the General Storm Water Permit Associated with Construction Activities.

If you have any questions regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at 614-728-3844 or email at harry.kallipolitis@epa.state.oh.us.

Sincerely,
