Cincinnati, Ohio 45211

**RE: Ault Park; NPDES Permit 1GC04127\*AG; Construction Site Inspection**

Dear Mr. DiCarlo:

On Monday, July 1, 2013, I visited the Ault Park project located at 3600 Observatory Road in Cincinnati, Ohio with the intent of determining compliance with the site's NPDES construction permit.

At the time of this visit, it was determined that the project in question has been completed. Land disturbed by various construction activities appeared to have been adequately stabilized with landscaping or the planting of grass and/or other vegetation.

Since the project has been completed, a Notice of Termination (NOT) must be submitted to Ohio EPA. The form is available at <http://www.epa.ohio.gov/Portals/35/permits/General.NOT.pdf>. It must be completed and sent to the following address:

Ohio Environmental Protection Agency  
General Permit Program  
P.O. Box 1049  
Columbus, Ohio 43216-1049

If you have questions regarding this letter, you may contact me at (937) 204-1003 or via email at [eric.damian@epa.ohio.gov](mailto:eric.damian@epa.ohio.gov).

Sincerely,

A handwritten signature in black ink, appearing to read 'Eric Damian', with a long horizontal flourish extending to the right.

Eric Damian
