**RE: Wesselman Road Sewer Phase II-A, Contract 1; NPDES Permit # 1GC04128\*AG;  
Construction Site Inspection**

Dear Mr. Smith:

On Monday, July 1, 2013, I visited the Wesselman Road Sewer Phase II-A, Contract 1 project located from 6594-6250 Wesselman Road in Cincinnati, Ohio, with the intent of determining compliance with the site's National Pollutant Discharge Elimination System (NPDES) construction permit.

At the time of this visit it was determined that the project in question has been completed. Land disturbed by various construction activities appeared to have been adequately stabilized with landscaping or the planting of grass and/or other vegetation.

Since the project has been completed, a Notice of Termination (NOT) must be submitted to Ohio EPA. This one page form is available at [http://www.epa.ohio.gov/Portals/35/permits/General\\_NOT.pdf](http://www.epa.ohio.gov/Portals/35/permits/General_NOT.pdf). It must be completed and sent to the following address:

Ohio Environmental Protection Agency  
General Permit Program  
P. O. Box 1049  
Columbus, Ohio 43216-1049

If you have questions regarding this letter, you can contact me at (937) 204-1003 or via email at [eric.damian@epa.ohio.gov](mailto:eric.damian@epa.ohio.gov).

Sincerely,

Eric Damian  
Storm Water Group  
Division of Surface Water
