**RE: Construction Storm Water Inspection at Prescott Place / Franklin County
Permit Number: 4GC01717*AG**

Dear Mr. Thomas,

This letter represents a complaint submitted to our central district office alleging illicit excavation activities on the southern end of the project area.

During the investigation, I found an area of disturbance located on the southern end of the site. This excavation appeared to be associated with utility repair and will not require any further permitting or follow-up from this office.

If you have any question regarding this letter or the inspection, please do not hesitate to contact me at our Central District Office at (614) 728-3844 or email at harry.kallipolitis@epa.state.oh.us.

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
