I understand that these construction activities are covered under the General Storm Water Permit Associated with Construction Activities. Based on my site inspection and the General Storm Water Permit, the following items must be addressed:

It appears that construction for this site is complete. The barren areas have been stabilized.

If you have not already done so, a Notice of Termination (NOT) will be required providing that the post construction requirements have been met. Instructions and forms can be found at <http://epa.ohio.gov/dsw/storm/index.aspx>.

If you have any questions regarding this letter or my inspection, please do not hesitate to call me at our Central District Office at (614) 728-3851.
