**RE: Integrity Ambulance Service LLC; NPDES Permit #1GC03975\*AG; Compliance Inspection Findings**

To Whom It May Concern:

On Tuesday, July 16, 2013, I inspected the Integrity Ambulance Service LLC site in Greenville, Ohio, to determine compliance with the site's NPDES construction site storm water discharge permit. I did not speak with anyone during the inspection.

Based on my observations, there were no obvious violations of the project's storm water discharge permit. I did not review the sediment control inspection logs or the site's storm water pollution prevention plan before my inspection. The project is complete and grass is established.

As a reminder, please note that when construction is complete, and all areas of the site have been permanently stabilized with vegetation or other ground cover, the construction permit must be terminated. A one page "notice of termination" (NOT) form found at <http://www.epa.ohio.gov/Portals/35/permits/General NOT.pdf> must be completed and sent to the following address:

Ohio Environmental Protection Agency  
General Permit Program  
PO Box 1049  
Columbus, OH 43216-1049

If you have any questions regarding the NPDES permit you can contact me at (937) 204-1002 or via email at [james.schwieterman@epa.ohio.gov](mailto:james.schwieterman@epa.ohio.gov).
