**RE: Menards Site Plan 2012, NPDES Permit # 1GC04329*AG
Construction Site Inspection**

Dear Mr. Anderson:

On Tuesday, July 16, 2013, I visited the Menards Site Plan 2012 project located at 2700 Block Cunningham Drive / Lot A-2 Evendale Commons Business Park in Evendale, Ohio, with the intent of determining compliance with the site's NPDES construction permit.

At the time of this visit, it was determined that the project in question has been completed. Land disturbed by various construction activities appeared to have been adequately stabilized with landscaping or the planting of grass and/or other vegetation.

Since the project has been completed, a Notice of Termination (NOT) must be submitted to Ohio EPA. This one page form is available at http://www.epa.ohio.gov/Portals/35/permits/General_NOT.pdf. It must be completed and sent to the following address:

Ohio Environmental Protection Agency
General Permit Program
PO Box 1049
Columbus, OH 43216-1049

If you have questions regarding this letter, you can contact me at 937-204-1003, or via email at eric.damian@epa.ohio.gov.

Sincerely,

Eric Damian
