Mr. John Harrison
Utica East Ohio Midstream LLC
37905 Crimm Road
Scio, Ohio 43988

Dear Mr. Harrison:

Part V, Paragraph L.3 of the NPDES permit for the above referenced facility requires submission of discharge monitoring reports (DMRs) to Ohio EPA by the 20th day of the month following the month of interest. A review of our records shows we have not received a DMR for the month of April, 2013.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements specified in your NPDES permit may be cause for enforcement action pursuant to Ohio Revised Code, Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

Please submit the above referenced report within **10** days upon receipt of this letter, along with an explanation of the reasons for the above permit violations and actions being taken to prevent further occurrences.

If there are any questions, please contact me at (740) 380-5423.

Sincerely,

A handwritten signature in cursive script that reads "Fred J. Snell".
