**Re: Construction Storm Water Inspection at Brown Jug Storage / Delaware County
Permit Number: 4GCO00090*AG**

Dear Mr. Manos:

This letter is written regarding a storm water inspection conducted by Sam Marotta and Paul Hafner of the Ohio EPA at Brown Jug Storage located at 224 East William Street on July 22, 2013. The purpose of the inspection was to evaluate compliance with the General Storm Water Permit associated with Construction Activities. During the inspection, our staff noted the following issues associated with construction activities at this site:

Sediment and Erosion Control:

- It was noted that the silt fencing along the backsides of the stockpiles needs proper maintenance (See Figure 1).

If you have any questions regarding this letter or the inspection, please do not hesitate to call me at our Central District Office at (614) 728-3844 or email at harry.kallipolitis@epa.state.oh.us. In addition, please provide a written response (**email preferred**) to the action items addressed above within ten days from receipt of this letter. A follow up inspection will be conducted to ensure the minimum conditions of the General Permit have been met.

Sincerely,

Harry Kallipolitis
Storm Water Coordinator
Division of Surface Water
Central District Office
