Dear Mr. Trotter:

On July 16, 2013, I conducted an inspection of your facility. The inspection was conducted under the provisions of Ohio's water pollution control statutes, Ohio Revised Code (ORC) Chapter 6111. As a result of the inspection, I have the following comments:

Review and update your Storm Water Pollution Prevention Plan as needed to ensure that it is in compliance with your latest industrial storm water permit.

If you have any questions, please contact me at (740) 380-5277.

Sincerely,
