RE: CITY OF GREEN
PTI APPLICATION NO. 939202
CAK INTERNATIONAL BUSINESS
PARK PH III AT PORT GREEN
SUMMIT COUNTY

Paul Pickett, P.E., City Engineer
City of Green
1755 Town Park Blvd.
Green, OH 44232

Dear Mr. Pickett:

This office received the above referenced PTI Application for the proposed installation of sanitary sewers on August 7, 2013, for the CAK International Business Park Ph III at Port Green. Form A of the application indicated the beginning construction date to be August 1, 2013. On September 10, 2013, this writer inspected the site located south of Greensburg Rd., north of Global Gateway, and east of Massillon Rd. It was learned that construction of the sanitary sewers began on August 12, 2013 and that approximately 2000 feet of sanitary sewer (proposed total of 4508.2 LF) has been installed. The application is currently under review at this office.

The City of Green is in violation of Ohio Revised Code 6111.44 for failure to obtain an approved Permit to Install from the Director of the Ohio EPA prior to initiating construction of the sanitary sewers. Please be advised that this office is processing a referral to our Central Office Legal to seek administrative Findings and Orders to address the violation.

If you should have any questions, feel free to contact this writer at (330) 963-1136 or by e-mail at phil.rhodes@epa.ohi.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Philip P. Rhode".

Philip P. Rhode, P.E.
