Mr. Gary Meinke, Owner  
Meinke Marina and Campground  
10760 Jerusalem Road  
Curtice, Ohio 43412

Dear Mr. Meinke:

We are in receipt of your self-monitoring reports covering the months of May through August 2013 for Meinke Marina West. Our review indicates violations of the conditions of the National Pollutant Discharge Elimination System (NPDES) permit. The specific instances of non-compliance are enclosed on separate sheets. Further review of the self-monitoring reports indicates that the facility is in significant non-compliance (SNC) with effluent limitations contained in the NPDES permit.

Please inform this office in writing, within 14 days, as to the reason for the above referenced violations, as well as a description of the actions taken or proposed to prevent any further violations.

Please be advised that failure to comply with the effluent limitations and/or monitoring requirements may be cause for enforcement action pursuant to Ohio Revised Code (ORC) Chapter 6111. If these violations continue to occur and if satisfactory progress is not made, it may be necessary to initiate enforcement action to achieve compliance.

If there are any questions, please contact me at [naajy.abdullah@epa.ohio.gov](mailto:naajy.abdullah@epa.ohio.gov) or (419) 373-3017.

Sincerely,
