Dear Mr. and Mrs. Thompson:

I have reviewed your self-monitoring reports and have found no monitoring reports have been submitted for the months of November 2012 through August 2013 for outfalls 001, 002, 588, and 601. Failure to submit monthly discharge monitoring reports (DMRs) according to the terms and conditions of your permit is a violation to your discharge permit.

Please be advised that failure to comply with the effluent limitations or to satisfy the monitoring or reporting requirements of your NPDES permit will result in enforcement action pursuant to Ohio Revised Code Chapter 6111.

Please submit the missing DMRs to our Columbus office within 10 days upon receipt of this letter and provide written verification to this office.

If you have any questions, please contact me at (740) 380-5416 or nick.hammer@epa.ohio.gov.

Sincerely,

A handwritten signature in blue ink that reads "Nicholas G. Hammer".
