Dear Ms. Robinson:

On May 15, 2012, this office issued a Non HPV Notice of Violation (NOV) letter to Before Rainbow Bridge, LLC regarding the failure of complying with the operational restrictions and failure to report deviations from the operational restrictions. As part of the NOV, we requested that you submit a compliance plan and schedule to return the facility to compliance.

On May 31, 2012, you submitted a letter detailing the temperature excursions and how you would address them in the future. Based upon my review of your response to the May 15, 2012, NOV letter, Before Rainbow Bridge LLC has returned to compliance for the cited violations.

If you have any questions or concerns, please feel free to contact me at (740) 380-5259 or by email at miki.mercer@epa.ohio.gov.

Sincerely,

Mykal L. Mercer
