RE: Resolution to Notice of Violation (NOV) issued to Mennco Grain (0388010145)
on March 11, 2013.

Dear Mr. Heim:

This letter shall serve as a follow-up to the Notice of Violation (NOV) letter dated March 11, 2013, for the above-referenced facility. The purpose of this letter is to indicate the facility's return to compliance status. This was accomplished by the submittal of the annual Permit Evaluation Report (PER) for this facility on May 1, 2013.

At this time, the NOV issued to the facility dated March 11, 2013, is hereby resolved. Please note that this does not preclude the Director from seeking civil penalties pursuant to ORC section 3704.06 for the violation noted in the NOV letter. The decision on whether to pursue or decline to pursue such penalties regarding this is dependent on several factors, one of which is the company's future compliance with applicable Ohio EPA requirements.

Should you have any questions or comments concerning this letter, please feel free to contact me at the above referenced address, by email at debbie.ko@epa.ohio.gov or call (419) 373-3106.

Sincerely,

Debbie Ko
Division of Air Pollution Control
