**RESOLUTION OF VIOLATIONS
NOTICE OF VIOLATION FOLLOW-UP LETTER**

Dear Mr. Henan:

On April 4, 2013, the Cleveland Division of Air Quality (CDAQ) inspected Marathon Gas, Brite Oil Corp. (Marathon Gas) located at 27645 Lorain Avenue in North Olmsted.

On April 9, 2013, CDAQ issued a Notice of Violation requiring Marathon Gas to submit either a Permit-to-Install/Operate (PTIO) application or a Permit-by-Rule (PBR) notification form for Emission Unit (EU) P001: Stage I and Stage II Gasoline Dispensing Facility: Gilbarco, and perform an Air-to-Liquid (A/L) Ratio, and Static Leak test and submit the test results within thirty (30) days of the test.

On April 18, 2013, CDAQ received a completed PBR notification form, which includes the new operator of record.

On April 22, 2013, Marathon Gas performed and passed the required A/L, Static Leak, and Blockage tests.

On May 7, 2013, CDAQ received a copy of the passing test results.

The corrective action plan was received in a timely manner and appropriate steps were taken to bring the source into compliance. CDAQ has determined that no further enforcement action is warranted at this time, but reserves its right to take such action in the future if necessary.

CDAQ issues this letter with Ohio EPA's concurrence and does not excuse any violations of local, state and federal laws or regulations regarding air pollution control. Violations of air pollution control laws may be pursued in local court or referred to Ohio EPA or U.S. EPA for further enforcement action.

Should you have any questions, please call Bryan Sokolowski at (216) 420-7663. All correspondence with CDAQ must include the Ohio EPA facility identification number for Marathon Gas, Brite Oil Corp.: 13-18-37-6019.

Sincerely,

A handwritten signature in black ink that reads "Valencia S. White".

Valencia White
Chief of Enforcement, CDAQ
